KEYNOTE

2021 started with renewed optimism. At Abdali Hospital we are immensely proud of having sustained growth in December and January. We achieved record levels of activity. We are very grateful for all the positive initiative and energy as we continue to open new services, welcome new doctors and staff members; while maintaining the highest standards of care

CLINICAL HIGHLIGHTS

We are excited to have launched the new ophthalmology service, under Dr. Ibrahim Asseidat. He is temporarily located in the 19F. We have seen the first outpatients and performed the first surgeries with excellent patient feedback.

Dr. Laila Tutunji has started the fetal cardiology service that allows early diagnosis of cardiac conditions, often due to congenital causes.
