KEYNOTE

We close the first quarter of 2021 with mixed feelings. While we are immensely proud of our sustained growth and team achievements, we cannot forget the impact that the pandemic is having on Jordan. Some members of our staff have been severely affected and our hearts are with our colleagues who have lost dear family members and friends. We think of you all in our prayers.

OPERATIONAL HIGHLIGHTS

A neonatal resuscitation training program was held for NICU staff.

This is an essential training that we keep refreshing to ensure that all our nurses are up to date.

CORPORATE SOCIAL RESPONSIBILITY

We are delighted to have reached an agreement with The Academies by Harvard Student Agency to sponsor 10 top high school students to attend pre-med academy courses held by this prestigious organization. This is an outstanding opportunity for high achieving students to have early exposure to medicine studies. I will provide exposure about the career and about how top
