KEYNOTE

We are celebrating our two-year anniversary. Since we first opened our doors to patients in August 2019 our multispecialty hospital has served tens of thousands of patients with exceptional outcomes. The hospital has maintained stellar clinical indicators and patient satisfaction, with both consistently rating above 97%. The hospital has expanded all its clinical departments at a high level of sub-specialization, continuously increasing its capability to treat very complex and unique cases with a high degree of safety leading to
